

【大学院特別講義】

新潟大学死因究明教育センターセミナー

日時：2020年 2月 14日(金) 17:00~18:00

会場：新潟大学 医学部 西研究棟 2階 法医学 図書室

The Forensic Medicine System in the United States and Current Trends in the Determination of Drug-Facilitated Sexual Assault(DFSA) Drugs In Hair

**Dept. of Forensic Medicine
Fukuoka University**

Brian WATERS, Ph.D.

In this lecture, the speaker, who spent 7 years working at the County of Los Angeles Department of Coroner/Medical Examiner, will describe the working conditions in Los Angeles and how it differs from his current situation in Fukuoka. In the second part of this presentation, the speaker will talk about current trends in Japan and the world with regard to the detection of Drug-Facilitated Sexual Assault (DFSA) drugs from the hair of victims.
