# **Research Student Application Guidelines**

**Niigata University School of Medicine**

**Faculty of Medicine**

This is the English translation of the Japanese Application Guide.  
The official version is the Japanese Application Guide.

## Application Guidelines

### 1. eligibility for admission

Persons who are not students of Niigata University, who wish to study a specific field of specialty, and who fall under any of the following categories will be accepted as research students at the Faculty of Medicine after selection.

- (1) Those who have graduated from a university.
- (2) Other students who are recognized by the department as having academic ability equivalent or superior to those specified in the preceding item.

### 2. Application Procedures

Applicants who wish to apply should bring the submitted documents to the School of Medicine, Student Affairs Division at the time of application.

### 3. Application period

As a general rule, applications must be submitted two weeks prior to the second Tuesday of every month except August.

Applicants who will be admitted on April 1, 2024 should submit their applications by February 7 (Fri.), 2024.

Applicants who need to obtain a certificate of eligibility should submit the application at least 4 months prior to the month in which they wish to enroll.

<b>Example</b>	<u><b>Submission Deadline</b></u>	<b>April 2025 Admission</b>	<b>: 2024/11/18</b>
		<b>October 2025 Admission</b>	<b>: 2025/5/20</b>

#### **4.Screening Method**

Based on the submitted documents, the selection will be deliberated by the Faculty Council of the Graduate School.

#### **5. Documents to be submitted**

Documents written in a foreign language must be accompanied by a Japanese translation. The translation can be translated by the applicant himself/herself (Handwritten translations are not acceptable).

## Tuition Fees

### 1. Tuition fee (monthly) 29,700 yen

- (1) Tuition fees depend on the period of study, but in principle, payment slips for 6 months will be sent by mail.
- (2) If the tuition fee is revised during your enrollment, the new tuition fee will be applied from the time of the revision.

### 2. Method of payment of tuition fees

Please pay the tuition fee with the payment slip sent by the University, paying attention to the following points.

- (a) You cannot use ATMs (Automated Teller Machines) to transfer tuition fees.
- (b) If you transfer the tuition fee from a bank other than the designated financial institution, the transfer fee will be borne by the payer.
- (c) Tuition fees already paid will not be refunded.
- (d) Students who are late in paying tuition fees and who do not pay after repeated reminders will be expelled from the class.
- (e) Even if a student is expelled for non-payment of tuition fees, the unpaid tuition fees will not be waived.
- (f) When a student withdraws from the university, he/she must pay the unpaid tuition during the period of enrollment. If the student does not follow the procedures for withdrawal, tuition will be charged according to the period of enrollment.
- (g) If you change your mailing address, please notify the Academic Affairs Division as soon as possible.

Please inquire about the **extension and withdrawal procedures** for research students when necessary. We will provide you with the documents to submit.
